Sir/Madam:

REQUEST FOR REFUND

Applicant respectfully requests a refund of excess fees charged to deposit account No. 23/2825 on July 28, 2004 in the amount of \$760.00.

On June 21, 2004 Applicants submitted a response to an Office Action for application serial number 09/748,077. However, due to the fact that there were errors in the header information of the response as filed, the Patent Office incorrectly identified the response. The Attorney Docket Number, names of the inventors and the title were correct for this application. Also the correct serial number and art unit were listed on the second page of the Amendment as well as on the return postcard. This response should have been entered in application serial number 09/748,077.

Applicants correctly filed a response in application Serial No. 09/340,776 on June 15, 2004, received by the Patent Office on June 18, 2003, with a petition for a two month extension of time and included the fee for said extension.

The Patent Office appears to have entered the response from application serial number 09/748,077 into the present application and charged the Deposit Account for the undersigned in the amount of \$760.00 for an extension of time. Applicant respectfully submits that this charge was inappropriately charged to the above-identified application.

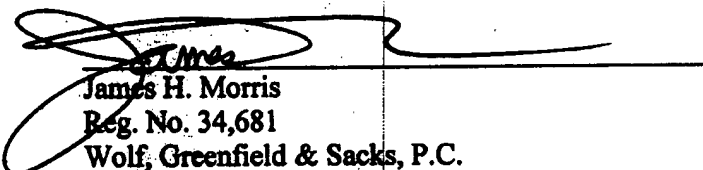

In support of the above, Applicants enclose a highlighted copy of the response that was incorrectly filed on June 21, 2004 indicating that this response was not for the above-identified application.

In view of the above, it is respectfully requested that a refund be made to the account of the undersigned, Deposit Account No. 23/2825 in the amount of \$760.00 for the response that should have been placed in application serial number 09/748,077.

Should any questions arise concerning this Request, the Examiner is invited to call the undersigned at the number listed below.

Respectfully submitted,

Gajinder Singh PANESAR
